

MANIFESTO

Gaza Grill is an authentic arabic and organic eatery, based on original family recipes from palestine, with a deep love for the rich middle eastern cuisine, social dining and sharing dishes.

Everything is 90-100% organic, as local as possible, traditional, homemade and freshly made as possible, and our bread is baked with sustainable danish flour from Valsemøllen.

Pesticides and GMO belongs to the past, and the animals must have a good life and graze freely out in the open. That's why all our beef, chicken and halloumi cheese are danish produced with guaranteed animal welfare and all our suppliers are certified organic.

To reduce our carbon footprint, we recommend that all customers eat less meat, so try our delicious falafel and our other vegan / vegetarian mezze side dishes, they satisfy the appetite, and they are healthy for the body, the soul and the climate.

Our electricity comes from natural energy, and we strive for work only with biodegradable packaging, FSC certified printed matter, ecolabelled detergents and without any food waste.

P.S. All our dips are 100% vegan, and our falafel, cauliflower and french fries are deep fried, in a day fresh rapeseed oil, in which nothing else is prepared in.
